## EIGHT WAYS TO EARN INCOME

## 1. RETAIL SALES

When you purchase products at our special bundle packages and sell them to your customers at retail price, you will earn an immediate profit. Retail selling is the surest method of earning immediate income, even as you build your organization of associates and satisfied customers.

## 2. WEEKLY COMMISSIONS – PERSONALLY SPONSORED BONUS

With One Line Club's Binary Compensation Plan, you build your club by placing team members on both the left and right side of your organization. Each product will have a point value associated with it, the points from product sales will flow up throughout your business when you and your team members purchase product for personal use or resale to customers. These points accumulated by your team are known as GSV (Group Sales Volume) and you will receive weekly commissions based on where the GSV.

### 3. MULTI-LEVEL PAYOUT (DOWNLINE COMMISSIONS)

This bonus is a residual income bonus that will pay a percentage on the sale of a product. The percentage earned will vary depending on the level of the club's (downline) that the sale occurred on. This bonus will pay out three times, as compression is in place. The actual commission percentage paid will depend on the consultant's pay rank and the level of their organization that the order was placed on.

#### 4. FAST START PACK BONUS

Fast Start Packs are not only attractive by the value and commission it brings but it also allows you to advance up in the rankings. Enrollers earn a bonus on Fast Start Packs. Please refer to chart below.

### Fast Start Pack 1 (max payout of \$175)

[illegible]

**Fast Start Pack 2 (max payout of \$350)**

<b>Level</b>	<b>AFFILIATE</b>	<b>DIST</b>	<b>ASSOC</b>	<b>DIR</b>	<b>REGION</b>	<b>SR</b>	<b>EXEC</b>	<b>PRES</b>	<b>INT</b>
<b>1(Rank based)</b>	<b>\$120</b>	<b>\$230</b>	<b>\$350</b>	<b>\$350</b>	<b>\$350</b>	<b>\$350</b>	<b>\$350</b>	<b>\$350</b>	<b>\$350</b>
<b>2(Fast Start)</b>			<b>\$230</b>	<b>\$230</b>	<b>\$230</b>	<b>\$230</b>	<b>\$230</b>	<b>\$230</b>	<b>\$230</b>

**Fast Start Pack 3 (max payout of \$700)**

<b>Level</b>	<b>AFFILIATE</b>	<b>DIST</b>	<b>ASSOC</b>	<b>DIR</b>	<b>REGION</b>	<b>SR</b>	<b>EXEC</b>	<b>PRES</b>	<b>INT</b>
<b>1(Rank based)</b>	<b>\$240</b>	<b>\$460</b>	<b>\$700</b>	<b>\$700</b>	<b>\$700</b>	<b>\$700</b>	<b>\$700</b>	<b>\$700</b>	<b>\$700</b>
<b>2(Fast Start)</b>			<b>\$460</b>	<b>\$460</b>	<b>\$460</b>	<b>\$460</b>	<b>\$460</b>	<b>\$460</b>	<b>\$460</b>

The direct enroller shall earn the level one amount. The second level is earned by those who have purchased a Fast Start Product themselves. This is a differential payout, meaning that maximum amount to be paid out is capped at a set amount. (Please refer to charts found above) The level 2 recipient shall receive only the amount of the total payout outstanding. For instance, if the direct enroller of a Fast Start Pack 1 is an Affiliate, then the potential level 2 payout is \$115 ( $\$175 - \$60 = \$115$ ). However, if the Level 1 distributor was a Distributer or higher, the potential payout is reduced to \$60 ( $\$175 - \$115 = \$60$ ). If the first level is not qualified, and the level 2 distributor had a Fast Start Pack, the level 2 distributor shall receive the entire payout. The amount varies based on the product that is generating the bonus.

**5. MATCHING BONUS**

The Company will pay a matching bonus on the Generational Bonuses. In order for a match to be paid, a member must be of the correct pay rank, and a personally sponsored member must have earned a Generational Bonus. Whenever a personally sponsored consultant earns a Generational Bonus, a matching bonus is paid to the sponsor of that person. The consultant being matched must also be ranked Director or higher. The match is based on a percentage of the bonus amount that was earned by the personally

sponsored member. The Company shall pay the specified percentage of the earned commission from personally sponsored members as specified in the chart below.

Level	AffILIATE	DIST	ASSOC	DIR	REGION	SR	EXEC	PRES	INT
1				10%	15%	20%	25%	30%	40%

#### 6. GENERATIONAL BONUSES

Generational bonuses are given out on a personal group level and up to 8 generations of leadership, including the personal generation (generation 0). A generation begins when a downline position is at the same pay rank or higher than the person being paid. The first generation is the personal generation between the top and the first generation that has a rank of Director or higher. This is represented as Generation 0 in the bonus schedule shown below.

**The generational bonus will pay according to the following schedule:**

Generation	AffILIATE	DIST	ASSOC	DIR	REGION	SR	EXEC	PRES	INT
0				5%	5%	5%	5%	5%	5%
1				5%	5%	5%	5%	5%	5%
2				5%	5%	5%	5%	5%	5%
3					5%	5%	5%	5%	5%
4						5%	5%	5%	5%
5							5%	5%	5%
6								5%	5%
7									5%

#### 7. INFINITY BONUS

Once you have achieved International Director, we will receive a 1% generational bonus that is paid out on the personal generation that continues downline stopping at a Rank that is International Director.

#### 8. FAST START PRODUCT POOLS

For every start pack the company sells, a percentage of its proceeds goes to the Fast Start Product Pools. The pool value is based on the number of Fast Start Packs sold for the particular pool it represents. There are three Fast Start Packs that contribute to the pools,

the \$499, \$999, and \$1,999. The Fast Start Pack Contributions to each pool is shown in the following chart.

<b>ACTIVE Pool - \$25 from every sale of a \$499 Fast Start</b>
<b>One Pool - \$25 from every sale of a \$499 Fast Start</b>
<b>Two Pool - \$25 from every sale of a \$499 Fast Start</b>
<b>Three Pool - \$25 from every sale of a \$499 Fast Start</b>
<b>ACTIVE Pool - \$50 from every sale of a \$999 Fast Start</b>
<b>One Pool - \$50 from every sale of a \$999 Fast Start</b>
<b>Two Pool - \$50 from every sale of a \$999 Fast Start</b>
<b>Three Pool - \$50 from every sale of a \$999 Fast Start</b>
<b>ACTIVE Pool - \$100 from every sale of a \$1999 Fast Start</b>
<b>One Pool - \$100 from every sale of a \$1999 Fast Start</b>
<b>Two Pool - \$100 from every sale of a \$1999 Fast Start</b>
<b>Three Pool - \$100 from every sale of a \$1999 Fast Start</b>

All consultants participate in the first pool, as long as they have met the minimum basic commission qualifications. "Participation in pool" means the consultant gets one share in that pool. For example, if a consultant was active but did not sell any Fast Start Packs then they will participate only in the ACTIVE pool. However if a consultant is active and sells one Fast Start Pack or is an active Director or Regional Director, then they would participate in both the ACTIVE and the ONE Pool. If a consultant is active and sells two Fast Start Packs or is an active Senior or Executive Director, then they would participate in the ACTIVE, the One Pool, and the Two Pool. If a consultant is active and sells three or more Fast Start Packs or is an active President or International Director, then they would participate in all four pools. The share value per pool is calculated by dividing the number of shares in each individual pool by the total amount of that pool. Each consultant can only have a single share in each pool, so the earned bonus amount is the share value for that particular pool.
